## LENNOX MUSIC – mp3 Download Instructions

1. Download and install WinZip, if not already on your computer.
2. On the Music Catalogue page, click on the key link in the left hand column.
3. On the Order Confirmation page, confirm the song listing and the price.
4. Click on the gold Paypal icon to pay for and purchase the EP or album.
5. Enter your Paypal account details including email address and password and click Log In.
6. Confirm your EP or album once again and click Pay Now.
7. Click OK in the Payment Successful window.
8. Click on the link to download the EP or album.
9. In the Opening dialog box, click OK.
10. If using Firefox, the downloads window will appear with a progress bar.
11. When the download is complete, click the right mouse button on the file in the downloads window.
12. Select Open Containing Folder.
13. Windows will open an Explorer window with the zip file selected.
14. You can choose to extract the zip file in this folder, or copy and paste it to a different folder.
15. To extract the zip file, click the right mouse button on the zip file, and select WinZip → Extract to here.
16. You will then find the mp3 files in that folder.
17. To copy to an Android phone, such as a Samsung Galaxy SII, do the following:
18. Select the folder that the mp3s are in, or multiple select individual mp3 files using Ctrl+Click, or Shift+Click.
19. Right click on the blue selected files and select Copy.
20. With the Android plugged into the computer with a USB cable do the following:
21. Select the Phone and then select the Media / Audio folder.
22. Paste the mp3s or folder contain mp3s into the Audio folder.
23. On the Android, Select Music, and you should find the mp3s in the All listing.
24. You can listen to them in sequence, or select the Random mode to enjoy a shuffle of the music.
25. Plug in earphones to the Android and you're there. Beware of listening to extended periods of music with the volume setting on high, as it may damage your hearing.

Separate instructions for use with an iPhone to follow soon.
